Anti-bullying & Behaviour  
Workshop  
November 2022

# Aims of the session:

- To familiarise parents/carers with new anti-bullying programme KiVA.
- To inform parents/carers of work within school during Anti-bullying week
- To share how we respond to allegations of bullying/poor behaviour.

# KiVa Programme Information

The background of the slide features a wide expanse of deep blue ocean water meeting a clear blue sky at a distant horizon. On the left side, a vibrant rainbow is visible, its colors transitioning from yellow and green on the left to red on the right, though the right side of the rainbow is cut off by the edge of the frame. The overall scene is bright and serene.
