WHEELERS LANE PRIMARY SCHOOL COUNCIL
are looking for
**children who are budding script writers, film producers,
video editors, narrators and technicians!!**

Dear Key Stage 2 Children

We are very excited to offer you the opportunity to take part in the creation of the new school promotional video which will be displayed on the school website.

The School Council are looking for someone who has a keen interest in video production and multi-media to help with the making of this video. We are looking for 8 children, 2 from each year group.

To apply for a role please complete the online job application form, this can be found on the BGFL365 website (please see overleaf); you should know your log in details but ask your teacher if you don't. School Council hope that by applying online this will give you the opportunity to experience the process of applying for a job thus setting you up for greater job prospects.

The School Council are looking for two children in each year group who might show an interest in the following job roles:

- Script writer** Your role will be to prepare stories and instructions for the promotional video.
- Film producer** You will play an important role in overseeing the promotional video, from start to finish.
- Video editors** You will be responsible for assembling the recorded material, that the School Council film, into a finished product, that is suitable for people to watch.
- Narrators and Technicians** Working with the other children to look at special effects.

The closing date is **Friday 5th May 2017**.
The process of writing and filming will begin on Monday 15th May 2017.

Successful applicants will be informed by the School Council via letter.
