Dear Parents and Carers

### **GAMES CLUB**

We will be running the Games Club again, for year 1 after school on a Thursday, finishing at 4.30pm. It will start on Thursday 9<sup>th</sup> November and finish on Thursday 14<sup>th</sup> December. Children should be collected from the school office entrance.

The children will play board games and also take part in team games. The aim to promote social skills and have some fun!

If your child is interested in participating in this club, please can you sign the consent form below and return to school.

The number of places is limited so should it be oversubscribed names will be pulled out of a hat. If your child does not get a place this time around there may be another opportunity in the Spring term.

Yours sincerely
