School Pet

Summer Fayre

Other Business

Agenda for the meeting.

- . 24th March 2017 – WLPS celebrated Red Nose Day – Mrs Laffey will ask a School Council rep to write a paragraph on how the day went.
- . Mr Byron will be joining School Council this afternoon to speak to the children about a promotional video for the school.
- . Head cook and a member of the catering staff will be joining School Council to talk about the menu, looking for feedback and new ideas of how it can be changed for the better.
- . Cake sale – Monday 3rd April and Wednesday 5th April. X4 KS2, X3 KS1.
- . Mrs Laffey to remind children that they need to start thinking about summer fayre.

Red Nose Day 24th March

. Mrs Laffey shared with the children the winners and pictures of the Red Nose Day competition 'Design your red nose, and name it competition' (Nursery, KS1) and for KS2 'Design your own face coaster competition' . Mrs Laffey, shared that the pictures will appear on the School Council website, as well as the funny face off selfies of each class.

. The amount that was raised for Red Nose Day will be revealed on the School Website, once all the money has been counted.

WLP Promotional Video

Mr Byron attended the meeting today, to see if the School Council needed help with their project for the 'Speakers school council awards'. A suggestion that Mr Byron has been in discussions with, with Mrs Laffey is a promotional school video. Mr Byron showed to the children an example of this from another school, and mentioned that as a School Council this would be the perfect project highlighting a positive impact on the school.

The deadline for the promotional video is the end of the summer term, however in the meantime a number of things need to happen

PLANNING:

Before we break up for Easter, Mrs Laffey and Mr Byron, will come up with a job spec to try and involve across KS2, one child from each year group to work alongside the School Council in supporting this video. Mr Byron mentioned that we will need extra children to help in this video, but we need to establish already what children in the School Council would like to take up the role of,

- . Video editor.
- . Script/ story writers.
- . Technicians.
- . Director.
- . Producer.
- . Narrator

Continued

WLP Promotional Video

Mrs Laffey will write up a brief description of what each job will involve, enabling Mr Byron to then go on and create the job description, where each child will have the chance through BGFL to access it at home to complete it, or to get a paper copy to complete. Deadlines for this will be the first week after the half – term. Mrs Laffey will also mention this in the School Council termly newsletter. This will be a fantastic opportunity for children who are not part of the School Council to get involved.

The School Council are very excited about this project, and working alongside Mr Byron.

Agenda

Lunchtime / Food

Sue and Ali from the kitchen, attended School Council today to ask the reps what feedback they had off the children regarding school meals. Sue shared that there is a delicious spring time menu on its way, with cheesecake, strawberries and meringue, as well as healthy salad's.

. The School Council had lots of ideas, on what they felt other children within the school were not so keen on (food wise), and what the children might quite like to try.

Ali and Sue went away with lots of ideas, but also highlighted the foods they could not take on board, due to allergies and Government guidelines of the importance of fruit and vegetables.

Agenda

School Pet

Mrs Laffey will meet with Wheelies, the first week back after the Easter holiday's regarding the overall cost of an aquarium for the library area. Mrs Laffey, plans alongside Mrs Bates to go off and buy the aquarium after she has talked to the members of Wheelies, and then names will be picked out of a hat, for Mrs Laffey and Mrs Richmond to go with a few of the School Council reps to buy the fish.

Agenda

Summer Fayre

Mrs Laffey mentioned to School Council, that the Summer Fayre will be taking place on Friday 30th June 2017. Ideas will now need to be shared in Class Council.

Agenda

Other Business

- . Ideas for the Summer fayre need to be shared.
- . Ideas for our Summer fundraising need to be shared – The charity MIND.
