

# English Week beginning 6.7.20

Castles and Crowns.

We are coming towards the end of our Castles topic now so over the final 2 weeks we are going to plan and **prepare a castle banquet!**

## Monday

### Medieval banquets

Start the week by reading information about medieval banquets. Try to find out:

What is a banquet?

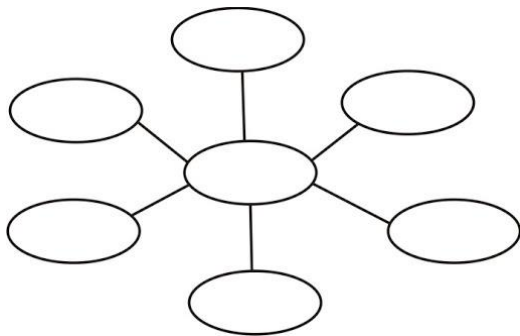

What food would they have had long ago in Medieval times?

What else would be on the table?

Where did the King sit?

How long would a banquet last?

Create a mind map with the information you have learnt about banquets or write your information in sentences.

## Tuesday

### Menus

Start planning your own banquet. You'll need some food! Have another look at the menus for a medieval banquet. What do you think to this food? Is this what you like to eat? What food would you like for a banquet?

Start planning your own banquet by making your own menu!

### Medieval menu example

#### Course 1

- A quarter of stag which had been a night in salt.
- A stuffed chicken.
- A loin of veal.

#### Course 2

- Dishes covered in sauce, plums and pomegranate seeds.
- 2 enormous pies. Each pie contains: a whole roe deer, a gosling, 3 capons, 6 chickens, 10 pigeons,

What will your menu look like?  
Can you include 3 courses and drinks?  
Will you have some fruit and vegetables?  
Try to present it neatly and clearly.  
You could also include some pictures and decorations.

## Wednesday

### Invitations

You will need to invite people to your banquet. You can invite you family and perhaps invite your toys/teddies as extra guests.

What information needs to be on a party invitation?

Have a look at some party invitations and design one of your own.

## Thursday

### Entertainment

Entertain the guests at your banquet with some games.

What are your favourite party games?

Write a set of instructions for how to play a party game.

Use numbers to set out your instructions clearly.

e.g.

1. Play some music and get everyone dance to it.
2. Stop the music.
- 3.
- 4.
- 5.

# Friday

## Handwriting

Use your best handwriting to list items you will need for a banquet e.g.  
Food, table cloth, decorations, music, invitations, drinks, games.

You could also include jobs that need doing e.g.

Make the sandwiches.

Set the table.
