

My Emotions

We are learning to express our feelings through drama.

Working with a partner, try to act out the following emotions...

happy

sad

scared

excited

worried

surprised

angry

Well Done

What a fab job!

Now why not choose one emotion to act out?

Your partner can guess which one
you have picked.

Good luck!

Can you work out the emotion?

happy

sad

scared

excited

worried

surprised

angry
