Look at the activities above. The activities are divided into 5 columns. You can choose one activity to complete each week or complete more than one when you have time.

You must choose at least one activity from each column during the term. After that the choice is yours.

- To help you organise your homework, it is a good idea to do a little every day. You can spend as long as you wish on each of the activities.
- It is helpful if a grown up, brother or sister helps you, but please do the work yourself.
- The work should be recorded in your homework book or you can do it on paper so that we can display it in the classroom.

Expectations.

1. Complete work in handwriting pen or pencil only. Drawings must be completed in pencil. Underline with a ruler.
2. Work will be recorded in your homework books weekly or on pieces of paper.
3. You decide how to present your work. You could use IT to present it if you wanted to or use a piece of paper. Ensure it is clear and easy for people to read.
4. Homework books to be handed in by Wednesday each week.
5. Teachers will acknowledge each piece of work.
