Thursday 28th May 2020

Key Workers with Children on the Register for Children Care Provision.

Dear Parents and Carers,

As you are aware from our recent communication the Government has announced the phased reopening for schools from 1 June 2020. At Wheelers Lane, we have been working on how this will be achieved and have worked with local our schools to consider different approaches.

A community of inspiration, aspiration and enrichment

As stated in our previous letter, if it is safe to do so, we are planning to open to some year groups on a rota basis from the 8th June.

At this time, the staffing and use of space needs to be planned very carefully. With this in mind, while we will continue to prioritise key worker children throughout the Summer term, we ask that you provide us with specific information about the days required. We are requesting this now as it will allow us to plan staffing and room requirements, so that we can maximise our offer and give key workers who are now returning to their place of work the opportunity to receive this support. If we receive a large number of requests for new places, we may consider limiting the number of days childcare you can access in school, so the support is fairly distributed amongst families in need.

We would like to remind families that this provision is only in place to support you when you need to go to your workplace, on days that you are able to work from home or on week days that you are not in work then we ask that your child remains at home with you.

Please complete the grid below to let school know which days you will require each week. We understand that you may not have all of your shift patterns yet but would ask for this information as soon as possible. Please return information for the first two weeks by Monday 1st June.

Yours sincerely,

Mrs. S. Pecheur Head Teacher

Stehn
