

PLANET SUPER LEAGUE

Dear parent/carer,

Planet Super League is an exciting football and sustainability project that you and your family can get involved in.

Children will take part at home to inspire small changes that can have a big impact on the environment, whilst scoring points for your chosen football team.

Whilst doing this, you will be representing your chosen football club in a league table of 24 professional football clubs for points and prizes. Can you help your team to win the league and lift the cup?!

The project is simple, we will ask you to register against your club by visiting <http://psl.football>, register your details, select a representative club from the pre-populated drop down list and then choose "SMILE" from the "Where did you hear about us?" section, and prepare for the big kick off on **Saturday 27th March**.

There will be a large selection of fun activities online which are simple to complete at home and can be done flexibly around your lives to make this easy, enjoyable, and pressure-free for you and the family! The activities will help you save money, have fun as a family and be more sustainable.

The registration page is live, please sign up and be the leading family in your club's battle for the title!

SIGN UP NOW and be part of the team:

Visit: <http://psl.football>

Register: Come up with your family team name and share your details

Play: Kick off is 27th March. Loads of great prizes up for grabs!

See you on the pitch!
